

## **JULIE NICHOLDS**

Director

---

Year on YWCA Edmonton Board - First

Julie Nicholds is an experienced management consultant who works for CGI, Canada's largest IT services company. For the past 14 years she has worked with private and public sector organizations to help them improve their management of client relationships. Originally from England, Julie has lived in Canada for the last six years. Julie holds a Masters in Business Administration from Queen's University, and is a Certified Management Accountant. In her spare time Julie likes to play sports and spend time with her young family.
