Julianna (Julie) Charchun recently accepted a position as a Legislative Advisor in the Office of the City Clerk, with the City of Edmonton. She is also a M.Sc. student in Family Studies at the University of Alberta. Julie served as the Graduate Students' Association President at the U of A (2007-08) and as such was a member of almost 30 committees, including the U of A Board of Governors, the Board of Finance and Property, and the Board of Government and Community Relations. Julie is currently participating in the Leadership Edmonton program, and just wrapped up a season with the Edmonton City Basketball League. She likes to keep busy, and is very much looking forward to her experience with the YWCA!
