

TAIZEEL ADATIA

Director

Year on YWCA Edmonton Board - First

Taizeel Adatia provides internal controls and governance services at Enbridge Pipelines. Prior to joining Enbridge, Taizeel was with PricewaterhouseCoopers where she gained experience in different areas of the firm including Audit & Assurance and Advisory Services. Taizeel has provided services to a variety of clients ranging from manufacturing and retail services to the Not for Profit sector. Taizeel holds a commerce degree from the University of Alberta, a Masters of Professional Accounting from the University of Saskatchewan, and a CA Designation. Taizeel is proud to be part of an organization that helps empower women and provides a safe place where all women can come to for support and direction.
