

TURNING POINT

Tammy MacDonald

A woman of compassion, tenacity and courage, Tammy MacDonald is the co-founder and Executive Director of Hair Massacure. A “true labour of love” inspired by her youngest daughter’s battle with cancer, this annual head-shave event raises funds for Pediatric Oncology at the Stollery Children’s Hospital and the Make-A-Wish Foundation of Northern Alberta. Tammy saw her youngest daughter’s diagnosis as a turning point in her life, and left a successful practice to devote her time, heart and soul to growing the Hair Massacure event. Now, as an advocate for children’s health in our community, Tammy inspires youth to make a difference and teaches them the joy of philanthropy. Tammy is changing the world with her own two hands...and a set of clippers.
